FEATURES

Every Wynd home has been designed around the concept of 'practical living'. It starts with a Sliding Wall System that allows you to open up or change your living space, and goes all the way out to our spacious balconies that double your living area.

INTERIOR

- Sliding Wall System with frosted glass panels
- Custom high-gloss built-in closets
- Contemporary laminate wood flooring in living areas
- Plush carpet in bedrooms
- Porcelain tile floors in bathrooms
- Polished chrome hardware throughout
- Low VOC paint finishes throughout
- Stacking washer/dryer

EXTERIOR

- Spacious balconies that are more than four times larger than standard balconies (most homes)
- Thoughtful exterior design that allows for both sun and shade throughout the day
- Panoramic views in every direction

KITCHEN

- Polished quartzite countertops throughout
- Soft close durable wood grain laminate cabinet doors
- Full-size 18 cu.ft. top-mount stainless steel refrigerator
- Full-size stainless steel electric range and oven
- Full-size 24" stainless steel dishwasher
